Dear all,

I hope this bulletin finds you all well. Please see below for details of our upcoming Autism-Friendly Screenings across all of our London cinemas this February!

We’ll be showing HAPPY FEET TWO (2D) as our February Autism-Friendly show at The Ritzy, Hackney Picturehouse, Clapham Picturehouse and Greenwich Picturehouse (details below).

Anyone of any age is welcome to attend the screenings!

Apologies for the change of film from our advertised programme in the printed booklet. Unfortunately we were unable to book ALVIN AND THE CHIPMUNKS: CHIP-WRECKED for all of our cinemas. However, you can catch an Autism Friendly screening of ALVIN AND THE CHIPMUNKS on Thursday 15 February, 11am at Stratford East Picturehouse (details below).

Picturehouse cinemas are working in partnership with The National Autistic Society to hold special film screenings for people on the autism spectrum and their families, friends and carers. During the film low lights are left on inside the auditorium and the volume of the soundtrack is reduced. It is fine for customers to move around, make a noise or take a break during the film if they need to.

Tickets £3.00 (there are no concessions or free tickets for support workers). Wheelchair users MUST book in advance.

The National Autistic Society is the UK’s leading charity for people affected by autism. If you need information, advice and support, call The National Autistic Society’s Autism Helpline FREE on 0808 800 4104 (Mon-Fri, 10-4).

Best wishes,

HAPPY FEET TWO (2D)

2011 | 103 min | Cert U

Get ready to slap your flippers together for another toe-tapping Antarctic adventure. Director George Miller (who co-directed the first HAPPY FEET) picks up where the penguins left off, with Mumble (Wood) now facing up to the challenges of fatherhood in the coldest climate on Earth.

His son Erik thinks he's found something truly astounding in the form of The Mighty Sven (Azaria, THE SMURFS), a penguin who claims to have mastered flight. But all is not quite as it seems. Mumble smells something fishy, but with a new threat on its way he's got bigger things on his mind. Animated family fun with a musical twist.
