

Dear Parents and Carers,

Week 19th- 23rd March is Sports Relief. The whole school will be hosting a range of sports related activities throughout the week including Bamboozle, Dance workshops, Access Sports coaches leading athletic sessions, walk-a-mile around the local area and many more sporting events.

On Friday 23rd March we are encouraging staff and students to wear sportswear or their favourite team's t-shirt to celebrate their sporting heroes or sporting activity they enjoy. There will also be a disco and tuck shop in the afternoon.

To take part in the activities and the fancy dress please send in a donation with your child on Friday 23rd March; all money goes directly to Sports Relief. If you would like to make a tuck shop or cake donation please send in on Friday.

Thank you for your support,

The Fundraising Events Team
