

Dear MBS Parents and Carers,

Friday 17<sup>th</sup> November is 'Children In Need' day. We will be hosting a range of fundraising activities including games and activities, a tuck shop, film screening and the chance to have a photo with Pudsey, the Children in Need bear!

This year's theme is 'THE HUNT FOR THE ROUND POUND', so please send in any old pound coins you may have! In school we are asking parents and carers to support pupils to participate in different events and if you can, maybe send in some snacks for the tuck shop (if appropriate) or dress up in your favourite polka dots. If you are able to send in a donation for activities please do, all money goes to BBC Children In Need.

To support this event, we are asking parents/carers to make a donation as every penny we collect will make a difference.

Thank you for your support and generosity as always.

Jo Fitzsimons  
Deputy Head of Margaret Brearley School
