

# How to register for Ofsted Parent View

1. In a web browser go to [parentview.ofsted.gov.uk](https://parentview.ofsted.gov.uk) and click 'give your views now'

## Welcome to Ofsted Parent View

### For parents

Ofsted Parent View gives you the chance to tell Ofsted what you think of your child's school, including:

- how happy your child is at the school
- how the school manages bullying or challenging behaviour

If your child has special educational needs and/or disabilities (SEND), we will ask how well the school supports them.

The questionnaire can be completed at any time - you don't have to wait until the school is being inspected.

We will use your responses to help us plan inspections. The information you provide can:

- inform discussions inspectors have with school leaders during an inspection
- help Ofsted decide when to inspect a school

In addition to this, we also publish the overall summary of the responses to Ofsted Parent View. This information is anonymised.

If your child attends a maintained nursery, please read more about how to respond to the questionnaire [here](#).

Click 'Give your views now' to register and complete a survey to help your child's school improve.
