**NATIONAL
LOTTERY FUNDED**

Why sign up?

- Three fun-filled residentials over a year, at Field Studies Council (FSC) centres across England.
- Supported by an amazing team of staff experienced in working with young people with vision impairment.
- You get to shape the activities you do.
- Opportunity to gain a John Muir Award certificate (environmental award scheme).

What will you be doing?

Vision England will support you to play a leading role in changing your communities and the environment for the better.

There'll be lots of great activities, which might include:

- Conservation activities
- Hiking
- Climbing
- Wildlife walks
- Bushcraft
- Canoeing

When?

The residentials take place during the spring holiday, summer holiday and autumn half-term holiday.

What does it cost?

Just £25 for three residentials and an introduction day.

Joshua Hopkins, a participant on the project says:

“I’ve met lots of other young people with a VI on these residentials. It has been good sharing our experiences and the activities we took part in were great, like fire lighting, shelter building and orienteering. I’ve improved my independence and communication skills and learnt lots of new things. I’ve really enjoyed myself!”

Don't pass up the opportunity to have the experience of a lifetime!
